SUMMER

BUCKET LIST

## BUCKET LIST

Hi! Thanks for visiting me on my Blog. This Toddler Summer Bucket List is really fun. The pages are made just for you to download. Pick the type of list you want to use and just print that one out!

\*The First List has 2 parts. The first is a blank page for you to fill in on your own. The second page has a list of options for you to choose from under many categories.

\*The Second Part is Really fun. You can print out these cards. Cut them up and put them into a jar. Pull out an idea when you need something fun to do.

\*The Third Part includes undated and blank calendars for the Summer. Fill in the days with whatever fun activities you would like to do.

ENJOY! Let me know if you liked these ideas and visit my on my blog if there are other things you would like to see from me.

Kayla
